

The “Gordon” Trophy

In late 2023, we lost one of KivaDog’s favourite mascots. Gordon is what we call the Unexpected Athlete! His body was not “made for sport” yet he excelled at everything he put his mind to, including Hoopers & Scent Work. Whilst he lacked grace... significantly... he made up for it with his wicked sense of humour and ability to entertain.

“Gone far too soon, but forever in our memories.”

NEW VIRTUAL “GORDON” TROPHY

After each Hoopers Australia Trial hosted by KivaDog in 2024, a special dog will be awarded the Virtual Trophy.

(plus a keepsake at the next trial)

They will be chosen on their ability to make us laugh, not necessarily the most athletic ;-)
